MALLAIG OVERNIGHT FERRY BERTH
MALLAIG HARBOUR

Latitude: 57°00'27"N	**Longitude: 005°49'34"W**
WGS 84 Datum	**WGS 84 Datum**

Mariners are advised that on the 19th of November 2025, RJ McLeod (Contractors) Limited shall commence works at the RO RO Ferry Berth at Mallaig Harbour.

The work shall include;

- From the 19th of November, the deposition of aggregate along the berthing face from land-based plant. The programme of work is estimated to last for approximately 5 days and will not impact on the scheduled ferry service;
- From the 24th of November, dive works will be in the vicinity of the RO RO Ferry Berth. The programme of work is estimated to last for approximately 5 days and will not impact on the scheduled ferry service.
- From the 1st of December, the deposition of aggregate along the berthing face from land-based plant. The programme of work is estimated to last for approximately 14 days and will not impact on the scheduled ferry service.

While divers are in the water a flag will be displayed, and the dive supervisor will maintain communication with Mallaig Harbour Master and Works supervisor via VHF Radio throughout the duration of the works.

Channel 09 and 16

Pier access by other vessels will be restricted and only permitted by prior arrangement with the Harbour Master.

All vessels navigating in the vicinity of Mallaig Harbour during this time are requested to exercise extra vigilance and pass at minimum safe manoeuvring speed and sufficient distance from the dive works areas so as to minimise the effects of wash.

Further details can be obtained using the contact details below.

Issued on behalf of _____

RJ McLeod (Contractors) Limited in association with Mallaig Harbour Authority.
