A87 Skye Bridge Navigation Lights

Date of Issue : 04/12/2025

Location Description : A87 Skye Bridge

Latitude: 57° 16'34" (North) Longitude: 005° 44'35" (West)

ALLFS No: A3925.5 Skye Bridge Centre Span North Light (ISO R 4s 30m 5M)

Mariners are advised that that the **RED** deck level navigation light on the Skye Bridge is **not operating to character**.

We are unsure the reason for the light failure and an investigation is underway, further update on when the red light is back to functioning will be provided as soon as possible.
